16.4 Horses/riders participating in the Grading Scheme require to work their way up through the Thistle Qualifications and Grades. Rides of a longer mileage than required by the standard being attempted may not be used. Equivalent grading schemes of other recognised endurance organisations are recognised by the Club, providing that the result is within the parameters for that grading, but such rides **MUST** be declared in advance, enclosing the relative grading fee, to the rider's Branch Archivist. Riders may ask for previous experience and equivalent rides results to be recognised for Grade equivalence for both horses and riders.

16.5 A small additional charge to the ride entry fee will be made to cover costs.

16.6 All Competitive and Gated Rides may be used as venues for Grading Awards.

16.7 Riders must nominate on their ride entry forms that they wish to use that competition as a grading ride.

17. HORSE LOG BOOK - are compulsory for all entrants in competitive and gated rides. Log books are not transferable.

17.1 The Log Book is to be presented to the Ride Administrator before the start of every competitive ride on collection of the rider number. Horses will not be allowed to start if the complete Log Book [including a copy of the horse's identification document] is not presented.

17.2 The original and subsequent Mastercard should be presented to the Ride Administrator in a plastic poly pocket and with the first columns completed for the Ride concerned. **Note:** 2 day rides should be entered as a single entry. It will then be retained by the Administrator during the ride and must be collected by the rider on return of their rider number. The Mastercard details must be completed and signed by the designated ride official before collection.

17.3 The Log Book must be available for the veterinary surgeon to see, if required, at the pre-vetting.

17.4 A horse/pony may only have one Log Book, registered either with Scottish Endurance Riding Club, Endurance GB, or the Irish Long Distance Riding Association. Any horse/rider found to have/use duplicate Log Books will face an automatic 90 day ban from competition.

17.5 Continuation Mastercards should be obtained from the Club General Secretary, the original or preceding Mastercard being sent with the application. Continuation Mastercards will be stamped with an Issue Number and date of Issue.

17.6 Alterations to the Mastercards may be made only by designated ride official and must be printed in block letters and signed with the name clearly printed beneath. Should alteration be necessary, a single line through the wrong entry is sufficient. No correcting fluid is to be used. Reason for elimination can be added by designated ride official. In the case of any lameness, when the vet identifies a particular leg, this will be recorded. In cases of doubt the recording will read "Failed - lame".

17.7 The Mastercard must not be defaced nor amended by any other person. The penalty for falsification is that the rider will be suspended from riding for a minimum of two months. More serious transgressions will be referred to the disciplinary officials of the society organising the ride concerned.

17.8 After each ride, riders must put their copy of the vet sheet into the plastic folders provided in the Log Book in date order. Vet sheets are an intrinsic part of the Log Book and a vet sheet must be kept in the Log Book in respect of each entry on the Master Card.

17.9 Replacement of a lost Log Book will incur a basic charge of £25.00 plus £1 per sheet for replacement of lost documentation. It is therefore recommended that members keep photocopies of their own vet sheets to save time and expense in case of loss. The horse will not be permitted to compete again until a new Log Book has been obtained.

17.10 In exceptional cases, where there is evidence from a horse's Log Book that it has been eliminated due to a recurrent problem on three consecutive occasions during the current season, in the interests of the welfare of the horse the Chief Steward, on advice of the senior veterinary surgeon, may prohibit further competition by that horse for a period of 30 days. An entry to this effect being made on the horse's Log Book Mastercard.

17.11 On return of their Mastercard riders should check that the information tallies with the Vet Sheet.

17.12 If a horse has three successive lamenesses on the same leg then the Mastercard will be retained by the Ride Organiser for a PERIOD OF 1 MONTH.

17.13 Mastercard Terminology

WITHDRAWN - a horse can only be 'WITHDRAWN' before presenting for initial vetting

RETIRED - if during the ride the rider becomes ill or is injured then the horse will be regarded as 'RETIRED' with the reason being stated on the vet sheet and mastercard.

FAIL - Once the horse has been presented for initial vetting if it fails to finish the ride for any other reason other than the rider being ill/injured it will be eliminated and 'FAIL' will be recorded on the mastercard, the reason being stated on the vet sheet and mastercard. If the horse is lame then the leg on which the lameness is diagnosed should be recorded on the Mastercard e.g. Lamé RF.
